Leading manufacturers' representative extends fan offering to Midwest region...

ORION FANS EXPANDS SALES FORCE WITH ADDITION OF SUMER, INC. TO REPRESENTATIVE PORTFOLIO

DALLAS, TX (February XX, 2009) – Orion Fans, a leading manufacturer of standard and custom AC and DC fans, has appointed Sumer, Inc., a premier representative of leading electronic and electromechanical component manufacturers, as sales representative for the Northern Illinois and Eastern Wisconsin regions. Sumer will represent Orion Fans' complete product offering, including AC and DC fans, fan trays, fan accessories, and blowers.

“Sumer’s 50 plus years of experience with a variety of products, including cooling technologies, is a key asset to capitalizing on both organizations’ sales efforts throughout the Midwest region,” said Tom Wheeler, national sales manager for Orion Fans. “With 17 outside sales employees, many of whom have direct cooling and fan technology experience, Sumer is a welcome addition to our sales force and they are well equipped to meet all of our customers needs.”
