## **ORION FANS DELIVERS COMPREHENSIVE LINE OF FAN ACCESSORIES INCLUDING CORDS, FILTERS AND GUARDS**

DALLAS, TX (December 9, 2009) – Dallas-based Orion Fans, a division of Knight Electronics and a leading manufacturer of standard and custom AC and DC fans, offers a comprehensive line of low cost fan accessories. Orion's fan accessories include wire and wire mesh finger guards, filter kits, plastic guards, fan cords, daisy chains, and 3-conductor standard and custom AC power cords.

“We provide our customers with fan accessories in a variety of sizes and configurations for standard fans, fan trays, blowers and specialized assemblies,” said David Luna, product marketing manager for Orion Fans. “Our extensive range of off the shelf accessories provides our customers with instant solutions for their protection and connection needs for a wide range of worldwide applications.”

Orion's fan accessories are used extensively in industrial control, telecommunication, computer equipment, and electronic enclosure and panel applications.

## ORION'S COMPREHENSIVE LINE OF FAN ACCESSORIES, PG. 2

Orion's comprehensive line of cord, guard and filter fan accessories includes:

- Wire and wire mesh guards – Available for fan sizes ranging from 25mm to 280mm, the guards feature steel wire electroplated in nickel chrome, welded joints to withstand 220 lbs. of separation force, and meet UL/cUL standards (some sizes are available in black);
- Plastic guards – Available for fans in sizes ranging from 40 to 172mm, the plastic guards feature PBT, UL94V-0 thermoplastic;
- Filter kits – Available for fans ranging in size from 40 to 172mm fans, each filter kit contains an ABS UL94V-0 fan guard, as well as retainer and media in 30ppi or 45ppi;
- Push-on guards – Available for 60, 80, 92, 120 and 172mm fans, the push-on guards require no additional hardware;
- Fan cords and daisy chains – Available in 2-, 3-, 4-, 6-, and 9-head daisy chain versions, lead lengths range from 12 inches to 12 feet with or without a NEMA 1-15P AC plug;
- 3-conductor and custom power cords – Shielded and unshielded, hospital-grade, two and three conductor fan cords with a variety of molded, European and/or NEMA AC plug options.

Orion's low cost fan accessories are available immediately from a global network of distributors. For quantity requirements finger guards can be provided at very low prices, (even no charge), with the quantity purchase of Orion Fans from Orion or participating distributors.
